

My daily tracker

Use this calendar to track:

1. When you are taking XPOVIO + dexamethasone prescribed by your healthcare provider, including any anti-nausea medication required prior to and during XPOVIO treatment.
2. How many times you eat each day. It is important to eat nutritious food regularly.
3. Your fluid intake each day. It is important to stay hydrated.

Share this tracker with your healthcare provider at your follow up appointments.
